Central Florida family first*

**ORLANDO, Fla. (August 16, 2010)** – On the heels of a recent \$35 million-dollar makeover and prestigious recognition as Hilton Worldwide's 2009 Developer of the Year, the Doubletree Resort Orlando - International Drive has been selected as one of the *Orlando Sentinel's* Top 100 Companies for Working Families.

The newly rebranded Doubletree Resort Orlando (<http://www.doubletreeorlandoidrive.com>) added 100 hospitality jobs in 2009 following a complete renovation and expanded commitment to its more than 250 employees. Among the enhanced employee benefits are free health club memberships, discounted travel benefits for employees and extended family members, educational reimbursement, family activity days, free meals, ongoing employee recognition celebrations and employee assistance programs.

A group of Doubletree Resort Orlando employees were on hand for the *Orlando Sentinel's* luncheon, Fri., Aug. 6, to receive the award on behalf of the resort. The *Orlando Sentinel* selects the Top 100 Central Florida Companies for Working Families based on core benefits, family-related benefits, work environment, communication and training. Companies can apply for consideration through applications, which are judged by a panel of human resource experts and scored on a point basis.

"We're thrilled to be identified as one of the *Orlando Sentinel's* Top 100 Companies for Working Families," says Jim Dina, Chief Operating Officer and Partner of the Pyramid Hotel Group. "Doubletree Resort Orlando is passionate about hospitality, and we continually strive to make this hotel a great place to work. As part of being recognized as one of the best places to work, allows us to recruit and retain the best hospitality professionals in the business."

"Families are key to our business and key to this community", says Greg Gooding, the property's General Manager. "With outstanding training and benefits, friendly upbeat atmosphere and overall commitment to excellence, we welcome families, not only as guests, but also as valued members of the Doubletree Resort Orlando team."

The new Doubletree Resort Orlando is owned by New York-based UrbanAmerica, one of the nation's foremost minority-controlled, real estate private equity firms. Pyramid Hotel Group, LLC, a Boston-based full-service hotel management and advisory company, manages

the property. The T.R. ENGEL Group, a leading Boston-based full-service hospitality advisory and asset management firm serves as the asset manager for the property.

Among Doubletree Resort Orlando’s community outreach initiatives is an ongoing First Responders Campaign that includes recognition programs and travel discounts. In celebration of its branding to Doubletree last September, the property gave away staycations as a way of saying thank you to Central Florida’s law enforcement officers, firefighters, highway patrolmen, emergency medical technicians and active military personnel. The resort donates regularly to area nonprofit organizations, including United Way of Central Florida, Coalition for the Homeless, Toys for Tots, and the Central Florida Adopt a Teacher program to name a few.
